Colouring Fantasy is a coloring book for adults and teens featuring 24 single sided fantasy art illustrations created from some of my favourite paintings including mermaids, fairies, wildlife, dragons and exotic maidens. There are also 2 bonus pages containing enlarged drawing sections that can be used as practice for some of the more complex details. The illustrations are single sided (blank page on the back). This helps to ensure that your colouring medium doesn't bleed through to the next picture. I recommend using coloured pencils and suggest placing several sheets of paper or a sheet of card behind the page that you are working on.
