BaptismSign of the  
New Covenant in Christ  
'The Word of God' is a  
multi-faceted concept.  
God speaks but Word is

one of Jesus's names. God's personal communications take other forms, through prophets, apostles, and the written Word. Frame investigates them all. --from publisher description *A Short, Biblical, Practical Introduction* Bloomsbury Publishing This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling *Commentary on the New Testament Use of the Old Testament*, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and

categories necessary for them to do their own exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E. Ciampa, Gordon-Conwell Theological Seminary [Israel and the Church](#) Zondervan The perfect companion to theological studies,

this dictionary provides three hundred-plus definitions, including both English and foreign terms. A must-have for every theological reader.

Life Everlasting

Thomas Nelson

A much neglected field of study has been opened by the research of the author into the history of the Christian church from its apostolic origins to the close of the eighteenth century. Taking as his thesis the prominence given to the Church in the Wilderness in Bible prophecy, and the fact that “‘the Church in the Wilderness,’ and not the proud hierarchy enthroned in the world’s great capital, was the true church of Christ,” he has spent years developing this

subject. In its present form, Truth Triumphant represents much arduous research in the libraries of Europe as well as in America. Excellent ancient sources are most difficult to obtain, but the author has been successful in gaining access to many of them. To crystallize the subject matter and make the historical facts live in modern times, the author also made extensive travels throughout Europe and Asia. The doctrines of the primitive Christian church spread to Ireland, Scotland, and Wales. As grains of a mustard seed they lodged in the hearts of many Godly souls in southern France and northern Italy — people known as the Albigenses and the Waldenses. The faith of

Jesus was valiantly upheld by the Church of the East. This term, as used by the author, not only includes the Syrian and Assyrian Churches, but is also the term applied to the development of apostolic Christianity throughout the lands of the East. The spirit of Christ, burning in the hearts of loyal men who would not compromise with paganism, sent them forth as missionaries to lands afar. Patrick, Columbanus, Marcos, and a host of others were missionaries to distant lands. They braved the ignorance of the barbarian, the intolerance of the apostate church leaders, and the persecution of the state in order that they might win souls to God. To unfold the dangers

that were ever present in the conflict of the true church against error, to reveal the sinister working of evil and the divine strength by which men of God made truth triumphant, to challenge the Remnant Church today in its final controversy against the powers of evil, and to show the holy, unchanging message of the Bible as it has been preserved for those who will “fear God, and keep His commandments” — these are the sincere aims of the author as he presents this book to those who know the truth. MERLIN L. NEFF.

A Guide to Navigate  
Evangelical Feminism  
In a society where  
gender roles are a hot-

button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the

church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture. [Sign of the New Covenant in Christ](#) Cengage Learning Take the God Is My Source challenge! Many people are faced with overwhelming financial challenges. When they compare their paycheck to their needs, they wonder...?How are we going to pay for this?? ?Where will the money come from?? ?What are we going to do?? When we look to the Word of God, scripture after scripture proves that God is THE

SOURCE of everything we need. In this little book, Gloria Copeland and Pastor George Pearsons will help you renew your mind to become fully persuaded that God is your Source. Now, here's the challenge: Read the seventy God Is My Source scriptures every day. Read each scripture, and SAY IT out loud! Follow the WRITE IT assignments. Log every financial and provisional miracle that you receive. When you SEE IT work, it will encourage your faith. Can You Be Gay and Christian? Zondervan Academic

Knowing God's Word: Key Issues is an apologetic for Christianity. This work is also a defense for the interpretation of the Kingdom. This worldview will bring

insight into prophetic events. Norman W. Mathers, B.A., Wilfrid Laurier, Th.M., Dallas Theological Seminary, M.A., California State University Dominguez Hills, Ph.D., University of Pretoria. Dr. Mathers is the author of *The Gospels: The Historical Foundation*, *Mathers Systematic Theology*, and *Christian Hermeneutics: Bible Study Methods and Interpretation*. Dr. Mathers teaches Doctor of Ministry students in Theology and Apologetics online for John W. Rawlings School of Divinity, Liberty University.

*An Israeli Examines God's Unfolding Plans for His Chosen Peoples* P & R Publishing

Clifford and Joyce Penner, clinical therapist and nurse have written a

sensitive and forthright guide to understanding sexuality and how it fits into God's design for marriage. This revised and updated version features a new introduction, new illustrations, a section on addictions and the Internet, and a timely discussion on sexually transmitted diseases and their consequences. With the latest information on sexuality and intimacy, this best-selling book is ideal whether you are newlyweds or have been married for many years. Chapters include: The Physical Dimension The Total Experience Moving Past Sexual Barriers Resolving Difficulties Finding Help *Christian Apologetics* Crossway The rapture--or the

belief that Jesus' living followers will, at some point, join him forever while others do not--is an important but contested doctrine among evangelicals. Scholars generally hold one of three perspectives on the timing and circumstances of the rapture, all of which are presented in this important volume of the Counterpoints series, *Three Views on the Rapture*: Alan D. Hultberg (PhD, Trinity International University and professor of New Testament at Talbot School of Theology) explains the Pre-Wrath view. Craig Blaising (PhD, Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary) defends the Pre-Tribulation view.

Douglas Moo (PhD, University of St. Andrews and professor of New Testament at Wheaton College) sets forth the Post-Tribulation view. Each author provides a substantive explanation of his position, which is critiqued by the other two authors. A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church. The interactive and fair-minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed, personal conclusions.

#### Doctrine of Election

Kregel Academic  
This fourth edition of the international bestseller is the ideal

introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an inter-connected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs.

This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms.

*Women in the Church (Third Edition)* John Wiley & Sons

Today many question the idea that there is only one way to heaven (or that Christianity is the only true faith) -- even some people who identify themselves as Christians. In a world where we are likely to have neighbors of differing faiths, to profess Jesus as the only Savior may be viewed as arrogance and intolerance. Religious "pluralism" is gaining popularity. Ronald Nash believes that one's position on the issue is crucial to an understanding of the Christian faith and

sees pluralism as a significant threat to Christianity. He explores the divergent views of pluralism ("No") and inclusivism ("Yes, but") and makes a case for exclusivism (Yes, period"). In doing so, Nash especially confronts the pluralism of John Hick and the inclusivism of Clark Pinnock and John Sanders. He presents his case compellingly, in accessible terms and a readable style.

*Men and Women in the Church* Lulu.com

What has gone wrong with the grand American experiment in "ordered liberty"? The liberal's answer is that America has failed to live up to its full promise of inclusiveness and equality--likely the result of corporate greed and white male

ruling elites. The mainstream conservative or libertarian reply points to the Warren Court, the 1960s, or a loss of Constitutional rectitude. Christopher Ferrara, in *Liberty, the God That Failed*, offers an entirely different answer. In a counter-narrative of unique power and scope, he unmasks the order promised as a sham; the liberty guaranteed, a chimera. In his telling, the false god of a new political order-- Liberty--was born in thought long before America's founding, and gained increasing devotion as it slowly amassed power during the first century of the nation's existence. Today it reveals its full might, as we bear the weight of its oppressive decrees,

and experience the emptiness of the secular order it imposes upon us. The secular state has constructed a "myth of religious violence" to mask its own violent origins and ongoing displays of force. Ferrara destroys this myth with a relentless uncovering of truths hidden by both liberal and conservative/libertarian accounts of what has gone wrong. In this brilliant retelling of American history and political life, the author asks us to open our eyes to harsh realities, but also to the possibilities for a rightly ordered society and the true liberty that can still be ours. Zondervan  
The role of women in the church is more hotly debated today

than ever. Christians on all sides of the issue often turn to the apostle Paul's words in 1 Timothy to justify their position, arguing over the meaning and application of this challenging passage. Now in its third edition, this classic exposition of 1 Timothy 2:9-15 includes contributions by Thomas Schreiner, Andreas Köstenberger, Robert Yarbrough, Rosaria Butterfield, and others, walking readers through the biblical text with careful exegesis, sound reasoning, and a keen awareness of the implications for men and women in the church. Academically rigorous yet pastorally sensitive, this book offers Christians a helpful overview of Paul's teaching related to how men and

women are to relate to one another when it comes to authoritative teaching in the local church. Includes a new preface, a new conclusion, four updated chapters, and two all-new chapters. The Person of Christ Delmarva Publications, Inc. An updated examination of ecclesiology from a Baptist perspective In this useful book, professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church. Blending biblical teaching and practical ministry experience, Hammett presents a comprehensive ecclesiology from a historic Baptist perspective, examining

crucial contemporary issues such as church discipline, the role of elders, and church ministry in a post-Christian culture. This second edition contains updates throughout, including:

- Substantive changes to chapters on the nature of the church, Baptist church polity, and deacons
- An expanded chapter on baptism and the Lord's Supper
- A thoroughly revised chapter on church models like multisite churches and missional churches
- A brand-new chapter on meaningful church membership

*Suffering and the Sovereignty of God*  
Baker Academic

The Death of Death in the Death of Christ is John Owen's definitive work on the extent of the atonement. It is a polemical work,

designed to show among other things that the doctrine of universal redemption is unscriptural and destructive of the gospel. It was called forth by the progress in England of Arminianism and the half-way house of Amyraldianism adopted by Baxter, Davenant and Usher.

**Rethinking What We Were Taught about Men and Women in the Church** Lulu.com

In a world that is "woke," how many Christians are actually awake? This short, theologically sound primer is a resource for pastors, ministry leaders, community leaders, and other thinking Christians that explains carefully and clearly what Critical Race Theory and wokeness truly are,

what the Bible teaches about race and ethnicity, why wokeness is distinct from Christianity and should be rejected, and how the church can work for unity based in the gospel of grace. Owen Strachan is a respected Reformed theologian and thought leader who can help Christians: Better understand Critical Race Theory, something very few do; Understand the high stakes—for the church and society at large—of wokeness as a movement; Think through America’s complex past with nuance and sensitivity; Study how God has made humanity one through the imago Dei; Grasp the beauty of the biblical doctrine of ethnicity and “race”; and Be ready to work

for unity in perilous times

**A Theology of the Family** Destiny Image Publishers

A revised edition of Erickson's successful systematic theology with updated text and new pedagogical aids, such as chapter outlines, chapter objectives, and study questions.

The Great Controversy InterVarsity Press

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

Liberty, the God That Failed Zondervan

Most women in the church don't aspire to "lord" it over men, nor do they want to scramble for position. Instead, they want to be accepted as full participants in God's work, sharing in kingdom tasks in ways that use their gifts appropriately. In *Gender Roles and the People of God*, author, radio host, and professor at Gordon-Conwell Theological Seminary, Alice Mathews surveys the roles women have played in the Bible and throughout church history, demonstrating both the inspiring contributions of women and the many hurdles that have been placed in their path. Along the way, she investigates the difficult passages

often used to preclude women from certain areas of service, pointing to better and more faithful understandings of those verses.

Encouraging and hopeful, Mathews aims for an "egalitarian complementarity" in which men and women use all of their gifts in the church together, in partnership, for the glory of God.

Key Issues Baker Books

For the first time in over one hundred years, the significant writings of history's most notable Christian apologists are available in one ebook. The *Anthology of Christian Apologetics* seeks to represent a broad Christian spectrum, ranging from those as early as Saint Paul and Saint Augustine, Saint Teresa of Avila and

Blaise Pascal, to more recent and present day apologists such as C. S. Lewis, Alvin Plantinga, William Lane Craig, Richard Swinburne, and Pope Benedict XVI. Over fifty entries address key issues in the history of Christian apologetics. Introductions provide general overviews and guides to the topical arrangements of these issues. Photographs of the major apologists enliven the work and concise section headings clearly organize the material.

Discussion questions, annotated reading lists, a bibliography, and author and subject indexes contribute to the suitability of this anthology as a textbook or supplemental reader. People interested in Christian thought, history, apologetics, philosophy, theology, or religion will find that the scope and depth of this anthology makes it an authoritative reference for key persons, concepts, issues, and approaches in the history of Christian apologetics.
