Sathya Sai Media Centre Sham, an aspiring youth from a prosperous rural family, narrates the conflict between ancient cultural values and the emerging modern

lifestyle. He realises that in the process of receiving good education to tap new opportunities and lead a lavish life, the new generation has been chasing materialistic acquisition at the cost of social inequality and environmental destruction, ending up in stress and frustration. Realising the erosion of traditional values, the enlightened villagers, with the advice of their spiritual leader, try to strike a balance between moral obligations, cultural values and emerging

opportunities of the new world to live happily and in harmony with nature. The Shami tree in Hindu mythology is a symbol of strength and endurance which sacrifices its own life to save other lives while inspiring human beings to search for self-realisation. It also demonstrates its importance in the food chain and in the conservation of biodiversity. This self-help fiction motivates young parents to understand their moral obligations and promote spiritual and

cultural values among their growing children. The linguistic origin of the term Dalit is Marathi, and pre-dates the militant-intellectual Dalit Panthers movement of the 1970s. It was not in popular use till the last quarter of the 20th century, the origin of the term Dalit, although in the 1930s, it was used as Marathi-Hindi translation of the word "Depressed Classes". The changing

nature of caste and Dalits has become a topic of increasing interest in India. This edited book is a collection of originally written chapters by eminent experts on the experiences of Dalits in India. It examines who constitute Dalits and engages with the mainstream subaltern perspective that treats Dalits as a political and economic category, a class phenomenon, and subsumes homogeneity of the entire Dalit population. This book argues that the socio-

cultural deprivations of Dalits are their primary deprivations, characterized by heterogeneity of their experiences. It asserts that Dalits have a common urge to liberate from the oppressive and exploitative social arrangement which has been the guiding force of Dalit movement. This book has analysed this movement through three phases: the reformative, the transformative and the confrontationist. An exploration of dynamic relations between

subalternity, exclusion and social change, the book will be of interest to academics in the field of sociology, political science and contemporary India. This volume documents  
the ethnographies of  
regionally distinct Dalit  
and tribal Christian  
communities, raising new  
arguments pertaining to  
the autonomy and distinct  
identity of these  
communities in adverse  
social set-ups. Stressing  
upon the plurality of

identities, the essays reject the idea of determining these exclusively on the basis of religion. They also chart the multiple levels of marginality experienced by both Dalit and tribal Christians and analyze how these groups negotiate their former religious faith and practices with Christianity. The book is a response to the urgent need for such studies in social science writings brought to the fore by contemporary political challenges/struggles

facing these communities in various parts of India.

Sai Prem Pushpanjali New Delhi : Sarvadeshik Arya Pratinidhi Sabha Two Hundred Years ago,

Lord Swaminarayan incarnated himself on this earth. Many people were attracted by the holy vision of His Murti. There were around five hundred ascetic saints; life time forsakers of money and woman. some saints among them were Erudites, Yogis, Writers, Poets, Musicians and skilled in sculpture. The erudites wrote commentary on scriptures like 'Upanishad', 'Bhagwat Gita' etc. and wrote new scriptures. The Yogis were highly skilled in teaching 'Ashtanga Yoga.' The

writers prepared volumes like 'Vachanamrutam' arranging the daily notes of religious talks with Lord Swaminarayan. The saints skilled in sculpture prepared huge temples with attractive and magnificent summits. The poet saints composed Kirtans Poems; seeing the Murti of Lord Swaminarayan exactly representing the vivid look. Some composed Kirtans of religious festivals and Kirtans preaching about the importance of human life in simple and easily

understandable language. The musician saints used to sing those Kirtans before Lord Shri Swaminarayan with so much love and affection filling the hearts of listeners with divine pleasure. Out of thousands of Kirtans and poems, some useful are given in this book, which are useful to the pupils studying in English Medium at Shri Swaminarayan Gurukul Hyderabad. It is hoped that besides the students of Gurukul, this book will be useful to other curious

devotees also. These Kirtans are produced in English script by the former student of Gurukul Rajkot, Shri Nilesh Jugal and proof reading has been done by former student Movalia Aashish with the instruction of Purani Swami Devprasaddasji. With a prayer that may the pleasure of Lord Swaminarayan be descend on them.

**The Law Times** Swami Shivom Tirth Ashram Inc Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying

Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot

safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the

Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The

English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the

Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved. *The Vachanāmrut* The exploitation of Dalit in one form or the other, is a glaring phenomenon since the dawn of civilization. In fact the upper class did not wish them to alleviate

their heads and improve their social status. However, the problems of exploitation and atrocities clinged to their societal fabric. The theme has been well-weaved into

sixteen chapters along with three Appendices. The main thrust of the theme is no general condition of Dalits at all-India level, socio-

economic, religious and political exploitation in urban and rural areas. The volume will be useful for social scientists, teachers, and students in India and abroad.
